Recomm'd that crosswalk be vacated because although there is exact 6'-6" distance between property lines, the crosswalk is only 5'-0" wide.

To the Board of Public Works of the City of Fort Wayne:

Gentlemen:

The undersigned, owners of real estate on _____, from _____ to _____

respectfully petition for the passage of a resolution providing for the VACATION of the five(5) foot cross-walk between Lots 32 & 33, Brackenridges 3rd Subdivision and Lots 44 & 45, Brackenridges 3rd Subdivision from the west property line of Juliette Street to the east property line of Carlton Court.

Reason for wanting this closed: If a sidewalk was installed between lots 44 & 45, Lot no 44 would lose $\frac{1}{3}$ of their driveway. Due to a miscalculation during the surveying of lot no 44 was not allowed extra footage to provide for the sidewalk. Therefore it would have to infringe upon their driveway to go thru.

Under the circumstances we thought it advisable to have the sidewalk vacated to clear the titles of lots 44 & 45.

Also there is no sidewalk needed there when we have a sidewalk down Juliette that the children use to go to school. The school is only a block & $\frac{1}{2}$ away.

We the undersigned hereby request that the fine (5) foot wide walkway lying directly north of lots no. 33 and no. 44 Brackenridge place addition be not vacated. We hereby state that Juliette Street (The walkway coming to Juliette from the west) in itself is three (3) blocks long and no street in between by which you can make a connection with Carlton Court and Brooklyn Ave. save this fine (5) foot walkway north of lots no. 33 & no. 44 and south of lots no. 32 and no. 45 Brackenridge place addition.

Said fine (5) foot walkway goes straight through to Brooklyn Ave. and is a direct connection.
